**VOTE YES TO AV IN THE 2011 REFERENDUM
AND FIX OUR VOTING SYSTEM**

WHO ARE WE?

Take Back Parliament is a coalition of civil society groups campaigning for voting reform. We use the colour purple as a nod to the suffragettes who campaigned for equal representation of women before us.

WHY SUPPORT US?

The last election was the most unfair ever. Because of our ridiculous voting system sixteen million people cast votes which had absolutely no influence on the result.

Take Back Parliament is campaigning to see our system change for good to a fairer, more representative one.

We want people to vote 'Yes' to the referendum on the Alternative Vote being held in 2011.
